CLOVIS MUNICIPAL SCHOOLS INTRODUCES 90-DAY PLANNING DAYS

This school year, as part of our state partnerships and ongoing dedication to growth and student success, Clovis Municipal Schools is introducing 90-Day Plan days. On a designated date, approximately every 45 days of the school year, a work day is set aside to conduct data meetings regarding district common formative assessments, provide instructional staff an opportunity to develop, review and modify 90-Day Plans, and collaborate and use data to plan for instruction.

The three designated 90-Day Plan days for 2018 - 2019 will be:
October 9, 2018
January 9, 2019
March 13, 2019

On these dates, district staff will report for work, however, students will not attend school.

Grown from the New Mexico Public Education Department's Principals Pursuing Excellence (PPE) program, each of our schools have developed 90-Day Plans. A 90-Day Plan includes specific focus areas and action steps to address changes in instruction and administrative behavior with the goal of impacting gaps in learning that have been identified through data analysis.

Flexible, living plans designed to be modified and adaptable, each plan requires 30 and 60-day monitoring. Additionally, each school-level 90-Day Plan Team includes a district-level representative, and district PPE certified mentors provide ongoing monitoring and support for plan development and implementation.

Principals Pursuing Excellence is a two-year program aimed at leveraging the expertise of New Mexico's educational leaders to support and empower New Mexico's school leaders as they work to dramatically improve student achievement in their schools.

The mission of the Clovis Municipal Schools, an alliance highly committed to educational excellence, is to equip each student with the knowledge and skills needed for a productive life of creative thinking, continuous learning, and exemplary character through challenging and engaging learning experiences led by a dedicated, unified team in vital partnership with family, church, and community.
