FAMILY LEADERSHIP INSTITUTE

The Family Leadership Institute (FLI) is a multi-faceted education program, which focuses on providing families with knowledge, tools, and inspiration to help their children succeed in school and life. The primary objective of the FLI is to teach parents the art and skills of family leadership in support of academic achievement and life success of both the family and the children as well. The FLI in Clovis is held three times a month on Monday (Spanish), Tuesday (English) and Thursday (Spanish and English). Through a series of ten modules focusing on leadership in the home, school and community, parents are provided information necessary to enhance their effectiveness as role models for their children. Each FLI work contains a series of lectures, participant discussions, story telling, role-playing, and group and individual activities. Based on survey results, participants find the training useful and valuable. An FLI Graduation/Celebration Ceremony is held at the end of the training.
