Dear Elementary School Parent(s),

Valentine's Day is fast approaching and we continue to receive questions regarding the delivery of Valentine flowers, gifts, and other novelties.

Many parents choose to have a Valentine treat delivered to the office in celebration. The office will accept deliveries, but will hold them until the end of the day and staff will start delivering at 2:30. Clovis Municipal Schools will not be responsible for loss, damages, or delivery issues.

If your child rides a bus, please know balloons are not permitted on the bus and you will have to come by the school to retrieve them prior to 4:00 pm. Student safety is always our priority and balloons interfere with the bus driver's ability to see from all angles.

Sending balloons, flowers, or other items are optional, with many parents choosing to do something with their child(ren) when they get home at the end of the school day.

I hope you have a wonderful Valentine's Day! Thank you for all you continue to do to work with your child for their success in school. You are appreciated!

Sincerely,

Elementary School Principals
