STUDENT SAFETY

Board Policy E-0150, E-0400

Clovis Municipal Schools will maintain a sincere and dedicated commitment to the safety of its students, staff, and property. In order to provide a school environment that is healthy, safe and conducive to learning, CMS has worked with community agencies to develop a School-Level Safety Plan to provide direction for school staff in the prevention and deterrent of potentially harmful situations. This plan, which is reviewed annually, is a practical tool to assist administrators and staff with a variety of issues that occur in an emergency situation.

The School-Level Safety plan allows our school to have a plan in place in advance of a crisis. Some plans included are:

Counseling and Mental Health	Sign-In Procedures
Emergency Evacuations	Fire Drill Procedures and Prevention
Intervention	Weapons Policy
Drug Free Campus	Dress Code
Bomb Threat	Building/Grounds Intruder
Disorder/Violent Behavior	Bus Mishaps
Flood and Snowfall	Emergency Fire Procedures
Poisoning	Hazardous Material
Health Education	Tornado Procedures

CMS is committed to providing a safe and secure environment for your child. We have an outstanding safety record that we work diligently to maintain. We are always open to any suggestions you may have on improving our school safety.

BICYCLE SAFETY

Board Policy E-0400

All students riding a bicycle to school must wear a helmet as mandated by state law. Bicycles may be brought to school and parked and locked in the designated rack. Students must walk their bicycles on school property and over the crosswalk.

STUDENT CONCERNS, COMPLAINTS, AND GRIEVANCES

Board Policy J-3600, J-3611, J-3631, J-3632

Clovis Municipal Schools believes that providing an educational environment for all students, employees, volunteers, and families, free from harassment, intimidation, or bullying supports a total learning experience that promotes personal growth, healthy interpersonal relationships, wellness, and freedom from discrimination and abuse. Therefore, harassment, intimidation, or bullying are forms of dangerous and disrespectful behavior that will not be tolerated.

STUDENT CONCERNS, COMPLAINTS, AND GRIEVANCES

Students may present a complaint or grievance regarding one or more of the following:

- Denial of an equal opportunity to participate in any program or activity for which the student qualifies that is not related to the student's individual capabilities.
- Discriminatory treatment on the basis of race, color, religion, sex, age, national origin, or disability.
- Harassment of the student which means knowingly pursuing a pattern of conduct that is intended to annoy, alarm or terrorize another person.
- Intimidation by another student.
- Bullying by another student which means any repeated and pervasive written, verbal or electronic expression, physical act or gesture, or a pattern thereof, that is intended to cause distress upon one or more students in the school, on school grounds, in school vehicles, at a designated bus stop, or at school activities or sanctioned events. Bullying includes, but is not limited to, hazing, harassment, intimidation or menacing acts of a student which may, but need not be based on the student's race, color, sex, ethnicity, national origin, religion, disability, age or sexual orientation.
- Concern for the student's personal safety.

Provided that:

- The topic is not the subject of disciplinary or other proceedings under other policies and regulations of this District, and
- The procedure shall not apply to any matter for which the method of review is prescribed by law, or the Board is without authority to act.

The guidelines to be followed are:

- The accusation must be made within thirty calendar days of the time the student knew or should have known that there were grounds for the complaint/grievance.
- The complaint/grievance shall be made only to a school administrator or professional staff member.
- The person receiving the complaint will gather information for the complaint form.
- All allegations shall be reported on forms with the necessary particulars as determined by the Superintendent. Forms are available in the school office.
- The person receiving the complaint shall preserve the confidentiality of the subject, disclosing it only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law.

Any question concerning whether the complaint/grievance falls within this policy shall be determined by the Superintendent.

Students should file complaints on their own behalf. A parent or guardian may initiate the complaint process on behalf of an elementary school student. A parent or guardian who wishes to complain (other than an elementary student's parent) should do so by completing the forms on Public Concerns and Complaints.

A complaint/grievance may be withdrawn at any time. Once withdrawn, the process cannot be reopened if the resubmission is longer than thirty calendar days from the date of the occurrence of the alleged incident. False or unproven complaint documentation shall not be maintained.

Retaliatory or intimidating acts against any student who has made a complaint under this policy and its corresponding regulations, or against a student who has testified, assisted or participated in any manner in an investigation relating to a complaint or grievance, are specifically prohibited and constitute grounds for a separate complaint.

Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary pursuant to any part of this policy, relevant District policies shall be followed.

VISITORS TO SCHOOLS

Board Policy E-0150, E-0400, K-2450

The Board of Education encourages parents to visit schools and classrooms as long as such visits do not disrupt school operations or interfere with the educational process. Unless accompanied by parent(s)/guardian(s), school-aged guests (i.e., out of town relatives or friends) are not permitted on campus during the school day. Visitors shall comply with the schools and school district's rules regarding identification and safety.

Parent Sign-in Procedures

1. **Parking:** Please ensure that vehicles are parked in designated visitor spaces. Do not leave vehicles parked or standing in fire lanes (designated by red curbing), bus lanes, or spaces not designated for parking.
2. **Entrance:** Upon arrival at the school building, enter through the designated visitor/main entrance and report to the greeter window. For the safety of all students, employees, and visitors, all exterior doors will be locked (all doors can still be used as exits).
3. **Identify yourself:** You will be asked who you are here to visit and the nature of your visit prior to gaining entrance to the building. If you are requesting to see or remove a student from a school building, you must be an authorized parent or guardian or have authorization from a parent or guardian. The district reserves the right to deny an individual entry to any school building when there is reason to believe that such individual's presence would be detrimental to the operation of the school and the learning environment.
4. **Photo ID:** Present your valid photo identification to a staff member. All visitors will be asked to verify their identity by showing district staff a form of photo identification with date of birth, such as a driver's license or government issued ID card. We will not check you in as a visitor or release a student to your care without your photo ID.

5. **Visitor management software/badge:** You will be asked to sign into the building and you will be issued a visitor badge. Your ID may be scanned for visitor management purposes only. This system will create a photo visitor badge.
6. **Wear your visitor badge at all times:** The visitor badge must be displayed and visible at all times during your visit. For the safety of students, employees, and other visitors, please be aware that our staff have been trained to approach and question visitors who are in the building and not wearing an ID badge.
7. **Leaving the building:** At the completion of your visit, you will be required to check back in at the greeter station to return your visitor badge and sign out as a visitor.
8. **Video surveillance:** Please note that school entrances and numerous locations in our buildings are under video surveillance.

Note: If any school employee becomes aware that an individual is in a school without having received permission, the employee must escort the individual to the office.

ASSESSMENTS

Purpose and Rationale

NMAC 6.21.1 As stated in 22-2-8.13 NMSA 1978, students' knowledge and skills are assessed and evaluated through the New Mexico content standards with benchmarks and performance standards, the New Mexico standards-based assessments (SBA) and local measures. **All public schools, state educational institutions and educational programs conducted in state institutions other than New Mexico military institute, as noted in the scope of this rule, shall participate in the statewide student assessment system.** Full text of this requirement can be found at (<http://164.64.110.134/parts/title06/06.029.0001.html>) in Section M-Statewide Assessment System.

Assessment data serves multiple purposes for multiple users. In addition to being used for accountability purposes, assessment is expected to be used to support teaching and learning. Assessments measure different skills or growth in various areas specific to the students participating. A balanced assessment system should include both formative/instructional supports and interim and summative assessments. This document is meant to outline the assessments used by CMS, as well explain their content and purpose.

STATE REQUIRED ASSESSMENTS

Assessment for Math/ELA (formerly PARCC)

Assesses: Language Arts and Math

Purpose: Summative

Grade Levels: 3-11 (12th grade retakes for graduation)

Frequency: Once per year in Spring (Fall window for graduation retakes and compressed courses)

Time: ELA – 2.5 hours for students in grades 3-8, 3 hours for students in grades 9-11

Math – 3 hours

The ELA assessments at each grade level include one of three tasks: a research simulation, a literary analysis, and a narrative task. For each task, students are asked to read one or more texts, answer several short comprehension and vocabulary questions, and write an essay that requires them to draw evidence from the texts. The ELA assessment takes 2.5 hours for students in grades 3-8 and 3 hours for students in grades 9-11. The Math assessment is comprised of short-answer and extended-response questions focused on conceptual knowledge, skills and understandings, as well as the mathematical practices of reasoning and modeling. Accommodations are available for students based upon their Individualized Education Plan (IEP) or their English Learner (EL) status. Each test is timed. The ELA 11,

Algebra II, and Geometry assessments are used as the primary demonstration of competency for graduation requirements. Reports are generally made available in July and are disseminated upon students' return to school in August.

NMASR – New Mexico Assessment of Science Readiness

Assesses: Science

Purpose: Summative

Grade Levels: 5, 8, 11

Frequency: Once per year in the spring (2020 will serve as state-wide field test)

Time: 3 hours

The NMASR is an online assessment that measures student proficiency in NM STEM Ready! science standards. NMASR assesses students in an item cluster structure which addresses content, science and engineering practices, and cross cutting concepts. Students receive accommodations documented on an IEP or EL plan. At 11th grade, NMASR is used as the primary demonstration of competency for graduation requirements. Reports are generally made available in June and are disseminated upon students' return to school in August.

DLM - Dynamic Learning Maps

Assesses: Language Arts, Math, Science, and Social Studies

Purpose: Summative

Grade Levels: 3-11 (only students with significant cognitive disabilities who do not participate in Assessment for Math and ELA and NMASR)

Frequency: Once per year in the spring

Time: 3 hours

DLM is used as an alternative accountability assessment to measure student mastery of Expanded Grade Band Expectations (EGBE) for those students with significant cognitive disabilities participating in an alternative curriculum of study on an individualized education plan (IEP). Reports are generally made available in June and are disseminated upon students' return to school in August.

WIDA ACCESS – Placement Test (K) and Online Screener (1-12)

Assesses: English Language Proficiency

Purpose: Screener

Grade Levels: K-12

Frequency: New students or students referred due to language concern

Time: 45 minutes

The placement test and Online Screener are used to measure the English language proficiency of students who have recently arrived in the US or to the district and indicate a language other than English used in the home or with the student. This assessment indicates whether a student is in need of English language instructional services and, if so, at what level. Screener is scored immediately by the test administrator and results communicated to teacher and parents within 2 weeks.

WIDA ACCESS 2.0

Assesses: English Language Proficiency

Purpose: Formative and Summative

Grade Levels: K-12

Frequency: Once per year in late winter

Time: 2.5 hours

WIDA ACCESS assesses English Language Proficiency in Listening, Speaking, Reading and Writing. Kindergarten students receive a one-on-one paper administration. Grades 1-12 are assessed online in a group setting. Students receive an individual score for each domain, as well as an overall proficiency level. Reports are generally made available in June and are disseminated upon students' return to school in August.

WIDA Alternate ACCESS for EL's

Assesses: English Language Proficiency

Purpose: Formative and Summative

Grade Levels: 1-12

Frequency: Once per year in late winter (only for EL's with significant cognitive disabilities)

Time: 1.5 hours

The Alternate ACCESS is a paper and pencil test developed specifically for English Learners who have significant cognitive disabilities. The assessment is administered in one of four grade level clusters (Grades 1-2, 3-5, 6-8, and 9-12) with a single form at each grade cluster. This test allows students to demonstrate their English language proficiency in all four language domains (listening, speaking, reading, and writing) and in four of the five English Language Development Standards (Social and Instructional language, and the language of LA, Math, and Science). Reports are generally made available in June and are disseminated upon students' return to school in August.

EoC - End of Course Exams

Assesses: LA, Math, Social Studies, Science and Elective courses

Purpose: Summative

Grade Levels: 5th Music only, 6-12 all (with the exception of 6-8 LA and Math, as well as 8th Science, since those are assessed with other summative measures)

Frequency: At the conclusion of the course, fall and spring windows (retake window in March for seniors needing Alternative Demonstration of Competency for graduation purposes)

Time: 5th grade - 40 minutes per course, 6th-8th grades - 60 minutes per course, 9th-12th grades - 90 minutes per course

End of Course Exams are used to assess mastery of content in a given course. Passing scores on New Mexico EoCs are indicative of a student being minimally proficient as described in the performance level descriptors and course alignment to curricular standards. Educators use EoC results to make curricular decisions that improve achievement outcomes for students. EoC results are also used to establish a measure of teacher effectiveness, to create common measures for course content and as an alternate demonstration of competency for graduation requirements for students. Results are available immediately and are communicated to parents via report cards within 2 weeks of completion.

Istation

Assesses: Language Arts

Purpose: Progress Monitor and measure growth

Grade Levels: K-2

Frequency: Three times per year (September-January-May)

Time: 30 minutes

Istation's Indicators of Progress (ISIP) Early Reading and ISIP Lectura Temprana are web-delivered computer-adaptive testing (CAT) systems that provide continuous progress monitoring (CPM) by frequently assessing and reporting student ability in critical domains of reading and Spanish early reading, respectively, throughout the academic year. Istation

provides reliable data with frequent, age appropriate measurements in the areas of: phonological awareness, phonics, vocabulary, comprehension, and fluency. Results are available immediately. Reports are reviewed by teachers at weekly data/planning meetings. Beginning of the year reports are provided to parents within one month of completion at Parent/Teacher conferences and provided as needed for conferences, SAT meetings, IEP meetings, etc.

ECOT – Early Childhood Observation Tool

Assesses/Observes: Physical Development, Health and Well-Being, Literacy, Math, Self, Family and Community, Approaches to Learning, and Scientific Conceptual Understanding,

Purpose: To obtain a well-rounded view of the whole child

Grade Levels: PreK and Kindergarten

Frequency: PreK – three times per year (September – January – May)

Kindergarten – First thirty days of school only

Time: Ongoing observations during classroom time

The Early Childhood Observation Tool measures student readiness in a variety of domains to determine best instructional practices for the classroom as a whole and necessary supports for each child. The intent is also to provide families with information about their child’s learning and development and inform prior educational and care stakeholders. “Reports” are in the form of completed rubrics that are available immediately upon the close of each window and they are shared with parents during parent/teacher conferences (within a week of the close of the window).

FEDERALLY REQUIRED ASSESSMENTS

LAS LINKS Español (K-1)

Avant STAMP 4Se (Gr. 2-6)

Avant STAMP 4S (Gr. 7-12)

Assesses: Spanish Language Proficiency

Purpose: Formative and Summative

Frequency: Once per year (only for students in Bilingual/Dual Language Program)

Time: 2 hours

LAS Links is paper assessment that measures Spanish language proficiency in Listening, Speaking, Reading and Writing. Avant STAMP 4S and 4Se are web-based and computer-adaptive, with real-world questions on topics selected to be level-appropriate based on research into topics taught at each level. The questions engage learners, and because they are adaptive, students are able to demonstrate their own actual proficiency level without any pre-set upper limits. Avant STAMP was originally developed by the Center for Applied Second Language Studies, a National Foreign Language Resource Center at the University of Oregon and funded by the US Department of Education. Both have been validated by field testing and expert panels. Both are secure tests that requires a proctor during administration. Reports are available immediately (online) and are printed and sent to parents within 2 weeks.

NAEP – National Assessment of Educational Progress

Assesses: Language Arts and Math

Purpose: Compare

Grade Levels: 4, 8, 12 (school sample selected by NAEP)

Frequency: Upon selection – administered in winter/spring

Time: 2 hours

The National Assessment of Educational Progress (NAEP) is the largest nationally representative and continuing assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in [mathematics](#), [reading](#), [science](#), [writing](#), [the arts](#), [civics](#), [economics](#), [geography](#), [U.S. history](#), and in [Technology and Engineering Literacy](#) (TEL).

Since NAEP assessments are administered uniformly using the same sets of test booklets across the nation, NAEP results serve as a common metric for all states and selected urban districts. The assessment stays essentially the same from year to year, with only carefully documented changes. This permits NAEP to provide a clear picture of student academic progress over time.

CMS District Assessments

Istation

Assesses: Language Arts and Math

Purpose: Progress Monitor and measure growth

Grade Levels: K-5

Frequency: Monthly

Time: 30 minutes

In addition to the state-required Istation ELA for grades K-2 three times per year, the district administers the monthly benchmark in both ELA and Math in grades K-5. K-5 utilizes this information as a progress monitoring tool to measure both classroom interventions and Istation instruction component, which students complete daily or weekly. In the past, we have found a significant correlation between Istation scores and performance on state assessments in both ELA and Math, grades 3-5. Beginning of the year reports are provided to parents within one month of completion at Parent/Teacher conferences and provided as needed for conferences, SAT meetings, IEP meetings, etc.

Common Formative Assessments (Pivot and Skyward platforms)

Assesses: LA, Math, Social Studies, Science and Elective courses

Purpose: Formative and Summative

Grade Levels: K-12

Frequency: Quarterly

Time: 60- 90 minutes per course

Assessments determine mastery of course content for each 9 weeks, as well as the effectiveness of instruction and the need for re-teaching or intervention. Assessments are administered on an online platform and are untimed, and accommodations are provided for students on an IEP or EL plan. Assessments are developed by content area teachers as part of a backwards planning process that aligns instruction to assessments (secondary level) or from a purchased item bank that is aligned to CCSS Standards (elementary level). Most items on these assessments are scored by the computer and include MC, Inline Text, Graphic, and Hot Spot item types. Some assessments include constructed response or essay questions that require teacher scoring. Results are available immediately and are communicated to parents via report cards within 2 weeks of completion.

Common Interim Assessments (Pivot and Skyward platforms)

Assesses: LA, Math, Social Studies, Science and Elective courses

Purpose: Formative

Grade Levels: 6-12

Frequency: at 4 weeks

Time: 60 minutes

Assessments determine of content taught within previous weeks to determine effectiveness of instruction and the need for re-teaching or intervention. Assessments are administered on an online platform and are untimed, and accommodations are provided for students on an IEP or EL plan. Assessments are developed by content area teachers as part of a backwards planning process that aligns instruction to assessments. (Assignments built on Pivot draw items from an item bank. Assignments built on Skyward contain items written by teachers or drawn from adoption materials aligned to state standards). Results are available immediately and are communicated to parents via e-mailed progress reports within one week.

ATTENDANCE

Board Policy J-0500, J-0511, J-1550

Regular attendance is a key to school success. Clovis Municipal School students can learn only if they are on time and present in all classes daily. The Federal Every Student Succeeds Act requires that states, school districts and schools be held accountable for ensuring that all students meet high academic standards. On time, daily attendance is a critical component of this educational process.

22-12-9 Requires that class attendance be taken for every instructional day in every class. The Attendance Policy letter must be sent home with all students the first week of school. This letter outlines the policy for parents and must be signed and returned to the school to be kept on file. It is prohibited to suspend or expel any student as punishment for truancy.

Excused Absence- Parent calls school and reports absence.

Unexcused Absence - No Parent contact

Chronic Absenteeism:

Chronic Absenteeism means that a student has been absent for ten percent or more of classes or school days for any reason, whether excused or not, when enrolled for more than ten days.

Student in Need of Early Intervention

Early intervention means interventions for students who are missing ten percent or more but less than twenty percent of classes or school days for any reason.

Student in Need of Intensive Support

Intensive support means interventions for students who are missing twenty percent or more of classes or school days for any reason.

Habitual Truant

A student who has accumulated the equivalent of ten or more unexcused absences within a school year is considered a habitual truant. Respect should be given to Native American tribal laws and traditions when considering intervention.

Habitual truants are reported to appropriate authorities such as the CYFD staff, Juvenile Probation & Parole, District Attorney, and the State of New Mexico. It is understood that sometimes families may need support to help their child be successful. School staff can assist with locating possible resources within the school community.

Absence Notification Procedures

Please notify the school office before school starts if your student must be absent. Parent(s)/guardian(s) will be notified at the fifth, and tenth unexcused absence of their child, in accordance with the Compulsory School Attendance Law.

School staff will make an attempt to contact the parent/guardian if the school has not received notification of absence by a parent for three consecutive days.

If extenuating circumstances prevent a family from picking up a student on time, the school must be notified within fifteen minutes of the end of the school day. If students are repeatedly left on campus outside of the school day hours, an administrator will attempt to contact the family to discuss the problem.

School attendance is required by New Mexico Law, Section 22-12-2 through 8, NMSA 1978, Compulsory School Attendance Responsibility, Section C. The parent of a school-age person subject to the provisions of the Attendance for Success Act is responsible for the school attendance of that school-age person (HB236).

Authorized school-sponsored trips are considered an extension of the school day, and the student is not counted absent. The student, however, must satisfactorily make up all missed work in a timely fashion.

CARE OF SCHOOL PROPERTY

Board Policy J-2400, J-6900

No student shall damage or deface any property belonging to the District. The type of discipline that may be imposed for damage to school property by students depends upon the circumstances. A school may withhold the report card, diploma and transcripts of a student responsible for damage or loss of school library or instructional material until the parent, guardian or student has paid for the damage or loss. Students may be subject to discipline for willful damage or destruction of school property.

If any minors engage in conduct that results in damage to District property, the District will institute formal charges for the purpose of having the court order the minors, or their parents, to make full or partial restitution to the District in accordance with law.

PERSONAL PROPERTY

Students should limit the items they bring to school to those items that are necessary for school activities. Toys, expensive jewelry, large sums of money, etc. have no place at school. The school is not responsible for items that are lost or stolen.

REPORT CARDS

Board Policy I-6800

Report cards will be posted in Skyward Family Access at the end of each nine week grading period. Attendance will be reported on the report card.

Academic grades will not be given at the kindergarten level.

The State of New Mexico has mandated a 70% mastery of grade level competencies. Students not mastering 70% will receive additional help, recommendation for summer school or retention. Parents will be advised throughout the year of their child's progress.

SCHOOL DISCIPLINE

School disciplinary action will focus on management of inappropriate student behaviors and appropriate consequences. All available resources will be utilized, including preventive and responsive interventions to support students' needs. Conduct that disrupts class work, involves disorder, or invades the rights of others will not be tolerated and may be cause for suspension and/or other disciplinary action(s), including legal action.

No employee of the district shall cause corporal punishment to be inflicted upon a student to reform unacceptable conduct or as a penalty for unacceptable conduct.

SEARCH & SEIZURE

Board Policy J-3400, J-6650

School property assigned to a student and a student's person or property, while under the authority of the public schools, are subject to search, and items found are subject to seizure.

Seizure of items: Illegal items and legal items that threaten the safety or security of others, and items which are used to disrupt or interfere with the educational process, may be seized by authorized persons.

Seized items shall be released to appropriate authorities, a student's parent or returned to the student when and if the administrative authority deems appropriate.

STUDENT CONDUCT

Board Policy J-3350, J-4600, J-4850, K-1700

All schools will follow the Clovis Municipal School District Policies concerning the discipline, suspension and expulsion of students. This policy is intended to promote an atmosphere within the school that is conducive to learning, as well as ensure the protection of the rights of students. Inherent to a democratic society is the fact that rights entail responsibilities.

Students have the right to avail themselves of a free public education; however, students have a responsibility not to interfere with the education of other students.

Students shall not engage in improper behavior, including but not limited to the following:

- Any conduct intended to obstruct, disrupt, or interfere with teaching, research, service, administrative or disciplinary functions, or any activity sponsored or approved by the Board.
- Physical abuse of or threat of harm to any person on District owned or controlled property or at District sponsored or supervised functions.
- Damage or threat of damage to property of the District, regardless of the location, or to property of a member of the community or a visitor to the school, when such property is located on District controlled premises.
- Forceful or unauthorized entry to or occupation of District facilities, including both buildings and grounds.
- Unlawful use, possession, distribution, or sale of tobacco, alcohol, drugs or other illegal contraband on District property or at school-sponsored functions.
- Conduct or speech that violates commonly accepted standards of the District and that, under the circumstances, has no redeeming social value.
- Failure to comply with the lawful directions of District officials or any other law enforcement officers acting in performance of their duties, and failure to identify themselves to such officials or officers when lawfully requested to do so.
- Violation of District rules and regulations.
- Engaging in any conduct constituting a breach of any federal, state, or city law or duly adopted policy of the Board.
- Carrying or possessing a weapon on school grounds.

Any student who violates these policies and regulations may be subject to discipline up to expulsion, in addition to other civil and criminal prosecution. These punishments may be in addition to any customary discipline that the District presently dispenses.

STUDENT DRESS

Board Policy J-2350, J-2361

The District encourages students to take pride in their attire as it relates to the school setting. Students should dress in a manner that, in addition to the following guidelines, takes into consideration the educational environment, safety, health, and welfare of self and others.

When in the judgment of the principal, the student's appearance, mode of dress, and/or cleanliness is distracting and disruptive to the educational process, or constitutes a threat to safety or acceptable standards of sanitation, or does not meet the following regulations the student may be required to make the requested modifications. Anything that can be considered gang related will be prohibited.

To implement the above, the following apply:

- Shirts and tops must be long enough to conceal the midriff. Chest area must be adequately covered.
- Pants must fit at the student's waist; they must be large enough to be pulled up to the waist and must not sag below the waist. No undergarments may be exposed.
- Shorts and skirts should be long enough to reach mid-thigh (halfway from waist to knee) or fingertip length, whichever is longer.
- If the fit of the garment is too anatomically revealing, it will be deemed unacceptable.
- Garments determined to be unacceptable because of slogans or artwork, particularly, those that depict drugs, alcohol, tobacco, or things of an obscene nature are not allowed.
- Outer garments (jackets/coats) that extend below mid-thigh or fingertip length, hats, sunglasses, or similar articles will not be worn in buildings.
- Shoes must be worn at all times.
- Students identified as homeless under the McKinney-Vento Act or migrant under Title I part C, cannot be sent home for dress code violations. These students should be referred to Family Services for assistance in finding appropriate clothing for school.

On certain occasions, a more stringent dress code may be enforced. For example, shorts will not be acceptable at special events such as graduation, awards ceremonies, installations, or other events so determined by the administration and/or activity sponsors. Also, the prom at Clovis High School is a semi-formal occasion that requires a special dress attire.

Exceptions for special activities or health considerations may be preapproved by the administrator and/or health services.

Students who attend or participate in extracurricular activities, such as athletic events, band, chorus, pep rallies, etc., are subject to the standards of dress.

TOBACCO FREE POLICY

Board Policy J-2300, J-3000, K-1750

The use, possession and distribution of tobacco products is prohibited by all students, employees, visitors and guests in the following locations: buildings, grounds, parking lots, playing fields, vehicles, off-campus school-sponsored events or on property owned or leased by the Clovis Municipal School District. This includes the use of all tobacco including cigars, cigarettes, e-cigarettes and nicotine liquid containers, pipes and smokeless tobacco products.

The policy will be in effect 24 hours a day, seven days a week, and will apply to all individuals present on District property.

To ensure these students have a weapon-free school environment, students are not permitted at any time to possess, use, transmit, or conceal any weapons in public education buildings, on school grounds, on school buses, or during school activities off the school grounds. Dangerous weapons may be defined as, but not limited to, any type of instrument that could cause bodily injury to oneself or another individual. Also included in this definition is any replica of a dangerous weapon, such as a starter pistol or toy pistol. Should a weapon be seized the following steps will be taken:

1. Immediately remove the student from school and notify parents.
2. Notify Superintendent.
3. Notify Police Department.
4. A hearing will be convened within ten (10) working days.

STUDENT SUPPORT SERVICES

SCHOOL HEALTH SERVICES

Board Policy G-1400, I-2050, I-2081, J-4950, J-5000, J-5100, J-5450

The primary purpose of the school health services program and the Clovis Municipal Schools Health Services Department is to promote optimal health for the school community to increase opportunities for learning.

ACCIDENTS

If your child is injured at school we will make him/her comfortable and then call a parent immediately. If necessary, 911 will be called. If a parent cannot be reached, we will attempt to contact the emergency number that is listed on the student's emergency contact list.

IMMUNIZATIONS OF STUDENTS

Board Policy J-5200

New Mexico law requires that all students be immunized against certain communicable diseases. The NM Department of Health (NMDOH), in collaboration with the NM Vaccine Advisory Committee, determines these requirements using recommendations from the national Advisory Committee on Immunization Practices (ACIP). The State's official immunization requirements for schools and childcare facilities are released annually and can be accessed at <https://nmhealth.org/about/phd/idb/imp/publications/>.

Basic Vaccines needed for public school entry at Kindergarten:

DTaP (Tdap)	5
Polio	4
Measles, Mumps & Rubella (MMR)	2
Hepatitis B	3
Varicella (Chicken Pox)**	2

** Required proof of Varicella immunity is receipt of vaccine, written proof of immunity by a physician/healthcare provider, or laboratory titer confirmation of diagnosis**

(Hepatitis A: 2 doses are required for entry into Pre-School, as well as 0-4 doses of Pneumococcal vaccine, and 1-3 doses of Haemophilus Influenzae type B depending on the student's age)

Additional Immunizations are required for **7th-12th graders**, including Tdap boosters and Meningococcal Meningitis vaccines. Please contact your school nurse, or refer to the link above for more information.

In the school setting, the school nurse is best qualified to determine if students are missing required vaccinations and will subsequently notify parents/guardians. Clovis Municipal Schools will follow the current year's New Mexico Childcare/Pre-School/School Entry Immunization Requirements. Students without proof of satisfactory immunization status will not be allowed to attend school. It is the responsibility of the parent/guardian to provide vaccination records upon enrollment.

Immunization Assessment

If a student has begun the process of immunization vaccination and the process is being accomplished in accordance with the current NM immunization requirement schedules, that student meets New Mexico immunization standards and may enroll in and attend school.

If a student has no immunization record but was formerly enrolled in a school in the United States, a formal request for immunization records must be made by the registrar (or designee) to the previous school attended to be considered in process.

If a student was formerly enrolled in a school in another country and has no record or any contact information to acquire records, initiation of required immunizations must begin immediately or have an appointment to do so to be considered in process.

<http://www.nmcpr.state.nm.us/nmac/parts/title06/06.012.0002.htm>

The student whose immunizations are not up-to-date but who has received all immunizations currently permissible by medical practice is considered in process.

A student who is attempting to reach compliance but is behind on a vaccination series is no longer considered in process. A scheduled appointment to receive required immunizations can be considered in process, allowing the student to register and attend school. If proof of immunization is not presented the first school day after this appointment, disenrollment procedure can begin. When any student is kept out of school longer than five consecutive days for noncompliance, the local Regional Health Officer (RHO) for NMDOH should be notified.

<http://www.nmcpr.state.nm.us/nmac/parts/title07/07.005.0002.htm>

Children who are younger than five years of age and who attend childcare or early childhood development programs on school grounds should be in compliance with the NM required immunization schedule for childcare centers.

Students will be disenrolled on the 30th day of enrollment if they have not provided a complete and up-to-date record or exemption, or have not been deemed in-process by the school nurse or Director of Health Services.

MEDICATION ADMINISTRATION

Board Policy J-5350

While it is the policy of the Clovis Municipal Schools to discourage giving any medication at school, the CMS Board of Education recognizes that some children and adolescents are able to attend school outside of the home because of the effectiveness of medications in the treatment of certain disabilities and illnesses. The District reserves the right, in accordance with procedures established by the Superintendent, to circumscribe or disallow the use or administration of any medication on school premises if the threat of abuse or misuse of the medication may pose a risk of harm to a member or members of the student population. When it is necessary for a student to take medication, whether prescription or over-the-counter, during school hours, the following is required:

All Medications:

This medication administration record shall be filed as a permanent record.
- The school district, its employees or agents may confiscate a student's medication if the student's self-administration of the medication exceeds the student's prescribed dosage or if the student endangers others with their medication.
- The parent/guardian will be called by the nurse before any PRN (as needed) medication

is administered to their child.

- A parent/guardian must deliver the medication to the school and pick up any medication that needs to be sent home.
- If medication is not picked up by 1 week after the last day of school, medications will be properly disposed of.
- A signed physician's statement indicating the necessity must accompany any request for self-administration of medicine, whether it is prescription or over-the-counter medicine.

Prescription Medications:

- A valid Medication Authorization Form from the licensed medical provider is required for every medication, every school year. The licensed medical provider's order shall be valid only for the current school year. School year will include any applicable school-related summer activities the student may be involved in.
- Parent/Guardian authorization section of any medication authorization form must be completed and signed for every medication, every school year.
- Medication order(s) must include the name of the student, name of the medication, dosage, route of administration, and time of administration.
- Prescription medication (including samples from physicians) shall be labeled by the physician or by a licensed pharmacist to include the student's name, name of prescribing physician, name of medication, dosage and time of administration.
- Any change in the dosage or time of administration must be accompanied by written documentation from the health care provider.
- A parent/guardian must deliver the medication to the school and pick up any medication that needs to be sent home with the exception of asthma inhalers or diabetic medication and supplies.
- Medication will be stored in a locked cabinet or locked medication-cart stored in the nurse's office. Exceptions of this rule will be noted on the physician's order and medication authorization form and will pertain to medication that must be stored in a refrigerator or those carried by students.
- It shall be the student's responsibility to report to the school nurse's office or other designated area (to be determined by the school nurse and school principal) for their medication at the time it is to administered.
- When a student comes to take their medication, the following 7 Rights of Medication Administration shall be followed by the nurse or trained designee:
 - Right student;
 - Right medication;
 - Right dosage;
 - Right time;
 - Right route;
 - Right documentation
 - Expiration date
- In the event the school nurse is unavailable to administer medication, a trained designee as delegated by the school nurse may administer the medication as ordered, or the parent/guardian may come to the school to administer the medication.
- The nurse (or district trained designee) is unable to administer missed home doses of medication at school without a physician's order. It will be the responsibility of the parent/guardian to come to school to administer missed home medication doses.

School Dispensation of Over-the-Counter Medications:

There must be a Medication Authorization form completed by the physician and parent in order for the nurse to administer OTC medications to students. Medication Authorization forms can be found on the CMS website, on the Health Services Department page.

All medications, including over-the-counter medications must be provided by parents/guardians in the original packaging with all warnings and directions intact.

Students with Diabetes

A student who has a medical diagnosis of diabetes and complies with the New Mexico Administrative Code (6.12.8.8) to self-assess, and carry and self-administer prescribed medication(s) under specified conditions, shall be permitted to do so if, in doing so, they do not endanger themselves or other persons through misuse of the medication.

Students with Inhaled Bronchodilators, Inhaled Corticosteroids and Auto-Injectable Epinephrine

A student who has a medical diagnosis of asthma or anaphylaxis associated medical condition and complies with the New Mexico Administrative Code (NMAC 6.12.2.9 and NMAC 11.15.05) to self-assess and carry and self-administer prescribed medication(s) under specified conditions, shall be permitted to do so if, in doing so, they do not endanger themselves or other persons through misuse of the medication.

VISION AND HEARING SCREENING

One of the important functions of a school health program is to promote student health through early identification and detection of health problems that may result in disability and/or interfere with learning. In collaboration with New Mexico Lions Operation KidSight, Inc., the school nurses will screen Clovis Municipal School students in Preschool, Kindergarten, 1st, and 3rd grade.

A general hearing screening, for the purpose of identifying hearing problems, will be performed for Clovis Municipal School students in Preschool, Kindergarten, 1st, 3rd, and 8th grade by the school nurses.

Screenings are not diagnostic. If your student has difficulty passing either the vision or the hearing screening, you will be notified by the School Nurse, and a referral will be sent home. **If you do not wish for your child to participate in these yearly screenings, please notify the nurse at your child's school that you will be 'opting-out' of the vision screening.**

EMERGENCY MEDICAL AUTHORIZATION FORM

The purpose of this form is to enable parents /guardians to authorize the provisions of emergency treatment for children who become ill or injured while under school authority when parents cannot be reached. In addition, it lists the adults authorized by you, the parent/guardian, who may take your child from the school.

- This form must be renewed for every student, every school year – please fill it out completely and sign it.
- Contact the school immediately for any change in contact information on the form.

STUDENT HEALTH INFORMATION FORM & ACTION PLANS

The purpose of the Student Health Information Form is to keep the Health Services staff (School Nurses) informed of your child's health status each school year. - Contact the school nurse immediately for any change in health information or medical orders on the form.

SICK CHILDREN

Guidelines to assist you to decide if your child should stay at home from school

Deciding when a child is too sick to go to school is not always easy. It's important for children to attend school consistently, but when a child is truly sick, they need to stay at home in the care of an adult to get well and to prevent spreading illness to others. In order for your child to be available for learning, and to control communicable diseases in school, it is important to keep your child at home for the following reasons:

- Fever of 100°F or more – student should stay at home until he/she has been fever free for at least 24 hours without the aid of fever reducing medication such as Tylenol or Ibuprofen. Please do not give your child medication to treat a fever and then send him or her to school.
- Sore Throat – a child with a mild sore throat, no fever and otherwise feeling well may be fine to attend school. A severe sore throat could be a symptom of a more serious illness. If your child is diagnosed with a throat infection and antibiotics are prescribed, your child may return to school 24 hours after antibiotic treatment has been started if they are fever free.
- Rashes – A rash may be the first sign of a contagious childhood illness. Do not send a child to school with a rash until a medical provider has evaluated it and said it is safe to do so, especially if other symptoms accompany the rash such as itching, fever or other signs of illness. Students who are diagnosed with scabies, ringworm or impetigo can usually return to school after 24 hours of appropriate treatment. The affected area should be covered especially if there is drainage present.
- Cough – a child with a mild cough, no fever, or other symptoms of illness can usually remain at school. A child with a deep uncontrollable or productive cough should stay at

home especially if the cough is accompanied by fever or other symptoms of illness.

- Vomiting and/or diarrhea – student may return to school 24 hours after the last episode of vomiting and/or diarrhea if they have no other symptoms of illness and it is not being controlled with medication.
- Eye Inflammation or Discharge – Children whose eye is red with cloudy or yellow/green drainage; matted eyelids after sleep; eye pain; and/or redness should be kept at home and evaluated by a health care provider. If the child is diagnosed with “pink eye” he or she may return to school 24 hours after treatment has begun.
- Head Lice – If you suspect or know that your child has head lice please keep them at home. Students who are identified with nits (Lice eggs) may stay at school until the end of the day, but if your child is found to have live lice you will be asked to pick them up immediately. Any student with lice will need to be kept at home until appropriate treatment has been provided AND all nits have been removed from the child’s hair. Absences for head lice treatment are only excused for a maximum of three school days.

Please keep the school office up to date with current phone numbers so you or an alternate contact can be reached if your child becomes ill or injured at school. This is most easily accomplished by completing and returning the Emergency Medical Authorization Form that will be sent home with every student, every school year.

SCHOOL INSURANCE

Board Policy J-5000

School insurance is available to all students. A packet will be sent home the first week of school. Purchase of the insurance is optional.

Walking' distances also apply for students from their permanent residence to the bus stop per State Statute.

Students are assigned to ride school buses based on their location to the school. Students are not allowed to ride a bus other than their assigned bus unless a written request is received from the parent or guardian stating their permission to do so. STUDENT TRANSPORTATION

Student bus transportation procedures

Arriving at pickup point:

- Be on time. Leave home in good time so that you will arrive at the pickup point before the school bus.

- If you have to walk along the road to reach the bus stop, walk on the left side facing oncoming traffic.
- Walk on the shoulder of the road where possible, and not on the traveled portion.
- If other students are waiting at the bus stop, get in line without pushing or crowding and stay off the roadway.
- Respect the property of others while waiting at your bus stop.
- Keep your arms, legs and belongings to yourself.
- Use appropriate language.
- Stay away from the street, road or highway when waiting for the bus. Wait until the bus stops before approaching the bus.

Board the bus:

- Line up in single file parallel to the roadway, with younger students in front, so they can board first.
- Wait until the bus comes to a complete stop before attempting to get on board.
- Board the bus quickly but without crowding or pushing.
- Never run on the bus, as the steps or floor may be slippery, especially in wintertime. Place your foot squarely on the step, not on the edge, and use the handrail.
- Be particularly careful if you are carrying books or parcels, as it is difficult to see the steps and to hold the handrail.
- Go directly to your seat and sit straight, well to the back of the seat, and face the front of the bus.

Conduct on the bus:

- Follow driver's instructions.
- The bus will not move until all passengers are seated.
- Remain seated throughout the trip, and leave your seat only when the bus has reached its destination and comes to a complete stop.
- Keep your books and parcels on your lap or put them under the seat or on the luggage rack.
- Keep the aisle clear.
- Do not talk to the driver except in case of emergency.
- Avoid doing anything that might disturb or interfere with the driver. Refrain from loud or boisterous talking or yelling.
- Never stick hands, arms, head, or feet out of the windows of the bus.
- Do not open windows without the driver's permission.
- Do not throw anything within the bus or out of a window; you might injure a pedestrian or force a motorist to make a dangerous maneuver.
- Do not touch the emergency door or exit controls or any of the bus safety equipment.
- Do not discard refuse in the bus.
- Eat at home or school, but not on the bus.

- A student who is put off one (1) bus will be refused transportation by all drivers for the specified period of time.

Other Discipline:

Depending on the nature and number of the offenses, consequences such as loss of transportation privilege, suspension or expulsion from school also may result from school bus stop misconduct.

Records of school bus stop misconduct will be forwarded to the individual school building, recorded in the student management system and retained in the same manner as other student discipline records. Reports of serious misconduct may be provided to law enforcement.

Vandalism/Bus Damage:

Students damaging school buses will be responsible for the damages. Failure to pay such damages (or make arrangements to pay) may result in the loss of bus privileges or other disciplinary sanctions until damages are paid.

STUDENT RECORDS/NOTIFICATION OF RIGHTS UNDER FERPA

Board Policy J-7050, J-7061

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. The Board has established written policies regarding the collection, storage, retrieval, release, use, and transfer of student educational information collected and maintained pertinent to the education of all students to ensure the confidentiality of the information and to guarantee parents' and students' rights to privacy. These policies and procedures are in compliance with:

- The Family Education Rights and Privacy Act; Title 20, United States Code, Sections 1232g and 1232h; and the Federal Regulations (34 C.F.R., Part 99) issued pursuant to such act;
- Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT ACT);
- No Child Left Behind Act of 2001 (NCLB); and
- The Individuals with Disabilities in Education Act; 20 U.S.C. Chapter 33; and the Federal Regulations (34 C.F.R. Part 300).

Student education records are collected and maintained to help in the instruction, guidance, and educational progress of the student, to provide information to parents and staff members, to provide a basis for the evaluation and improvement of school programs, and for legitimate educational research. The students' records maintained by the District may include - but are not necessarily limited to, identifying data, report cards and transcripts of academic work completed, standardized achievement test scores, attendance data, reports of psychological testing, health data, teacher or counselor observations, and verified reports of serious or recurrent behavior patterns.

These records are maintained in the office of the District under the supervision of the school administrator and are available only to the teachers and staff members working with the student. Upon request, the School discloses education records, including disciplinary records

without consent to officials of another school district in which a student seeks or intends to enroll. Otherwise, records are not released to most agencies, persons or organizations without prior signed and dated written consent of the parent [34 C.F.R. 99.7]. The signed and dated written consent may be in electronic form under certain conditions [34 C.F.R.99.30].

You shall be informed when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to your child. The information must be maintained for two (2) years after the date your child was last enrolled in this school district.

You have the right to inspect and review any and all records related to your child within forty-five (45) days of the day of receiving a request for access, including a listing of persons or organizations who have reviewed or have received copies of the information [34 C.F.R. 99.7]. Parents who wish to review their children's records should contact the principal for an appointment or submit to the principal a written request that identifies the record(s) you wish to inspect. School personnel will make arrangements for access and notify you of the time and place where the records may be inspected. School personnel will be available to explain the contents of the records to you. Copies of student education records will be made available to parents when it is not practicable for you to inspect and review the records at the school. Charges for the copies of records will be costs of copying unless the fee prevents the parent from exercising rights to inspect and review those records.

You have the right to request that an amendment be made to the student's education records and to add comments of your own if you believe information in the record file is inaccurate or misleading [34 C.F.R. 99.7(a)(1)]. You should write the principal, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by you, the School will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you when notified of the right to a hearing.

You have the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Copies of the District student education records confidentiality policies and procedures may be reviewed in the assigned office in each school [34 C.F.R. 99.7]. You have the right to file a complaint with the Family Educational Rights and Privacy Act Office in Washington, D.C., concerning alleged failures by the School to comply with the requirements of FERPA [34 C.F.R. 99.7]. The name and address of the Office that administers FERPA are:

**Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605**

If the teacher has sufficient reason to believe that a student has plagiarized, the teacher must determine the level of plagiarism according to the criteria below. If the plagiarism is determined to be a level-three degree violation, the teacher will turn over all documents to the supervising assistant principal/principal, who will convene a review committee in a timely manner.

Level One

A level-one violation may occur due to ignorance or inexperience on the part of the student. An example of plagiarism at this level may involve a student's using up to a few lines of text without citing the material properly; however, the majority is the student's own work.

The recommended procedure for level-one violations is:
One full-letter grade reduction.

Level Two

A level-two violation is considered a more serious plagiarism offense. Examples of this violation include use of one or more paragraphs of another's ideas and/or works without correct citation. It is evident that much of the work has been taken from sources and not referenced, although some of the work is the student's original work.

The recommended procedures for second-level violations may include the following:

A letter in the student's academic file.

Two full-letter grade reductions or a zero on the assignment (per administrative approval).

An opportunity to redo the assignment with two full-letter grade reductions.

Level Three

A third-level violation is a severe case of plagiarism and indicates the majority of a student's work has been taken from another source or sources and not referenced. An example may be the use of a purchased term paper or other materials as one's own. Also, this violation may involve improperly acquiring information and/or intentionally altering it, i.e. citing sources that are not actually sources. In addition, a level-three violation occurs when a student has been found guilty of plagiarism in a prior instance. In this instance, a committee meeting will be held to discuss what will happen.

The committee will be made up of the teacher, department head or Level III teacher, and administrator.

The procedures for a level-three violation are as follows:

No credit for the original assignment will be given.

A letter in the student's academic file detailing the offense.

Notification to the National Honor Society advisor, if appropriate.

Disciplinary action taken by administration, including parent notification.

Possible credit loss for the semester.

The committee is responsible for the final determination of plagiarism as well as the consequences.

Disclaimer:

This policy may not encompass all acts of plagiarism. In the event that a violation occurs that does not clearly fit into levels 1,2, or 3 as defined in the above policy, teacher discretion per administrative approval may be used. All acts of plagiarism will be addressed on an individual basis.

ACTIVITY TRAVEL

Board policy specifies that students who are participating in an activity must go and return on the same bus and will not be permitted to return in a private vehicle, except with parents and only with prior approval by and notification of the sponsor.

ANNOUNCEMENTS

All announcements and posters to be displayed at Clovis High School must have prior approval from the Assistant Principal responsible for Activities. The individual responsible for the poster/announcement is also responsible for removing it. Announcements are the primary method of making students aware of what is going on at CHS. Announcements contain information on scholarships, deadlines, honors, activities, and school policies. Announcements are read over the P.A. system at the beginning of home room.

FOOD & DRINK IN THE CLASSROOM

Food and/or drink, in the classroom during class time are not allowed. Exceptions will be made for academic purposes such as class projects, and incentives. Bottled water is allowed.

GRADUATION PLANS

Students are expected to make reasonable progress toward graduation. Students who do not complete class requirements to receive credit or who attend so sporadically that they cannot keep up will have their graduation plans reviewed. This review may lead to placement in an alternative educational setting. Students who DO NOT meet all state requirements for graduation WILL NOT be permitted to participate in the graduation ceremony.

HALL PASSES/STUDENTS IN THE HALLWAYS

A student should never be in the halls during class time without a proper pass. You must have a completed HALL PASS at all times that you are not in your assigned room or in the company of a staff member.

Students may go to a classroom before 8:20 or during the lunch period to receive academic assistance. Students are not to be in the halls during the lunch period or before 8:20 for social purposes. In the event of inclement weather, students may go to the cafeteria or other properly supervised areas.

INITIATION OR HAZING

No initiation or hazing of students will be permitted.

LATE WORK POLICY & MAKE-UP WORK

In an effort to teach students responsibility while giving them opportunity to salvage their grade this late work rule is being implemented at CHS.

Late work is defined as work that is not turned in to the receiving teacher before or on the date it is due.

If a student is absent “excused” the make-up policy will apply (see below). If the student is truant the late work policy will apply.

When a student misses a due date on an assignment they will have an opportunity to turn the work in late with these requirements.

Daily work:

Students are allowed to turn in late work for a maximum of three days beyond the original due date.

Consequences of late work:

Day 1 minus one letter grade

Day 2 minus two letter grades

Day 3 minus three letter grades

After the third day work not turned in will be recorded as a zero.

Projects:

If the assigned work is a project that was assigned more than one week prior to the deadline students have one day to turn it in late for a maximum grade of 75%.

Students that have missed more than five assignments during a nine-week period will be referred to their counselor and AP.

If a student appeals directly to a teacher, the teacher has the option of negotiating with a student dependent on the student's specific needs or conditions concerning late work.

Make-Up

It is the student's responsibility to contact the teacher on the day he/she returns to class to determine any course work that needs to be made up. Students will be permitted a two day grace period for the first day of absence and a one day grace period for each consecutive day of absence thereafter to submit work.

If a student was present when a teacher assigned course work it is due on the day of return; however certain projects (i.e. major projects, research papers, etc.) will be due on deadline date unless prior arrangements have been made with the teacher/school. Clovis High School will collect assignments for parents to pick up for any student who will be absent three (3) or more consecutive days of school. Parents/guardians must contact the attendance office to arrange for the pickup of class assignments. A 24-hour turnaround time is needed.
