

First Grade News

March 2010

Mrs. Cheville, Mrs. Delaney, Mrs. Hulder & Mrs. Gershon

Your child should have math or reading homework each Monday, Tuesday & Thursday nights. This will be a review from the daily lessons.

Please read with your child daily. Your child should be bringing small readers home from school for this practice.

Friday Sales- 1st grade is raising money for field trips. We are selling fruit snacks/ fruit roll-ups. We are asking parents to send in the fruit snacks so that we will have enough money for end of the year field trips. You may send these in at any time. Thank-you.

It is very important that your child eat breakfast each morning. If they are eating at school, they may come at 7:30 to begin eating. This way they are not late to class and missing out on instruction time. Thank-you for getting your child's day off to a good start!

Please feel free to call if you have any questions or concerns about your child. First grade planning time is 10:20- 10:55, 769-4475.

Upcoming Events

- **March 15 – 19: Spring Break**
- **March 11- Music Program at Marshall Auditorium**
- **Book Fair Begins Monday March 1. Students may attend if they bring money to purchase.**
- **Picture money due March 5.**

Parkview will be having Friday sales. The cost of items vary from \$0.25 - \$1.00. Money raised will go towards class supplies and field trips. Thank you for your support.
