Things to know

- 5th grade has almost finished the entire “Imagine It” reading series. We are working on the last unit (Call of Duty) and will be finished at the end of the year. We still encourage you to help your child study spelling/vocabulary words. 6th grade is just around the corner, and we want to make sure our students are fully prepared. We would like to thank all the parents who have given their time and support in educating our students.
- 5th grade students will be celebrating the end of the year with a sundae party! We will let you know more, as we figure out what day this will occur.
