We are Counting Money!

We have been tackling the difficult concept of money. Please practice counting coins with your child. We have been tackling the difficult concept of money. Please practice counting coins with your child. We use the following chants to help us remember their value and appearance.

-Penny, penny, easily spent, copper brown and worth 1 cent!

-Nickel, nickel, thick and fat, you're worth 5 cents, I know that!

-Dime, dime, little and thin, I remember, you're worth 10!

-Quarter, quarter, big and bold, you're worth 25 I am told!

Letters and Sounds

We now know all of our letter sounds, except for V and Y. We will learn those within the first 2 weeks of March. Your child should be able to recognize all of the letters as well as tell you their sounds. As you practice letters, please have your child tell you the sounds as well. We know the shorts sounds for the vowels.

Nightly Reading

Each week your child has been bringing home a "Decodable" book to read. These books contain our sight words as well as words they are able to "sound out". Please help your child to read them 5 times every night.

Box Tops and Soup Labels

We are still collecting box tops. We have also started collecting Campbell's Soup labels. Please keep sending them in.
